

PURE PHYSIOTHERAPY IS A CLINICALLY LEAD ORGANISATION WHO PROVIDE FULLY SUPPORTED FIRST CONTACT PHYSIOTHERAPISTS (FCPs) TO YOUR PRACTICE

WE PROVIDE YOUR PRACTICE WITH:

- Daily clinical debriefs for your FCPs to ensure your patients receive the best care
- Instant access for your FCP to our peer support network of over 300 national FCP and ACPs, from 8am to 6pm each day
- All Health Education England stipulated clinical governance, roadmap compliance and professional training support for your FCP

ADDITIONAL THINGS WE CAN PROVIDE:

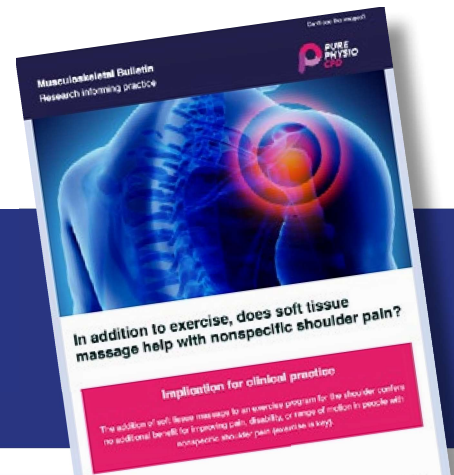

- Training to reception, non-clinical and clinical teams to get the best from your FCP support
- Happy to have students, GPs or other practice staff observe our clinics
- We are happy to join meetings to discuss your FCP support or how we might be able to help with practice projects, audits, or research

FREE RESOURCES THAT MIGHT BE HELPFUL:

WEEKLY MSK CPD BULLETIN

Informing clinical practice published in peer reviewed journals is summarised by our expert team and sent to clinicians weekly with key 'clinical take-homes' identified.

**SIGN UP TO
THE BULLETIN
